

## Employment Services - Baltimore Welcome Center

### Hire, train, and support your diverse workforce.

At Global Refuge - Baltimore, we work with a talented pool of refugee clients who are eligible and willing to work—and we are committed to supporting their growth within your company or organization.

Our programs provide unique opportunities for newcomers to establish familiarity within the Baltimore-area workforce while learning job-specific skills and strengthening their English language ability. Together, we can build a better workplace for all.

## What We Offer

### For Employers

- Job placement assistance
- Increased staff engagement and retention
- Advanced skill sets and job productivity
- Access to industry leading practices for empowering refugee workers
- A simple and sustainable hiring pipeline

### For Employees

- English language learning
- Job skills training
- Personalized goal-setting and action planning
- Career advancement curricula
- Opportunities for professional growth

See how New Americans can enrich and transform your workplace like they have for manufacturer Cardinal IG.
